

## TERMS OF REFERENCE

Project Name: Smart Government II Project, Mongolia  
Project Number: P176631  
Terms of Reference: Consultancy service for Program Development to support and manage its initiative dedicated to narrowing the digital divide prevalent among seniors in underserved communities nationwide.  
Reference Number: 3.1.2.4-3  
Date:

### A. BACKGROUND

Through the World Bank's support, The Smart Government II Project aims to improve the usability and efficiency of online public services to citizens and businesses and to increase digital skills and digital-enabled jobs.

The Smart Government II Project has five components that collectively contribute to building a whole-of-government approach for public services and public sector transformation, and the development of Mongolia's digital economy:

- Component 1: Enabling Environment for Digital Transformation. To strengthen policies and regulations for digital transformation, conduct change and stakeholder management for the Project's digital government investment, and promote online engagement of citizens.
- Component 2: Transforming Digital Government. To develop a digital service standard for public services and digitize selected public services, implement or enhance strategic digital services e.g., electronic procurement system, upgrade the National and Disaster Recovery Data Centres, and strengthen the Cybersecurity Incidence Response Team and Security of State Registration Data.
- Component 3: Growing the Digital Economy. To provide digital skills training for civil servants and citizens, create digital-enabled jobs for 3,000 youths, and support Small and Medium Enterprises to Adopt Digital Solutions.
- Component 4: Project Management Support. To provide technical and operational support for project management and coordination, including financial management and disbursement, procurement, environmental and social risk and impact management, grievance redress mechanisms, and monitoring, reporting and evaluation.
- Component 5: Contingent Emergency Response. To provision for immediate response to an Eligible Crisis or Emergency, as needed.

The Smart Government II Project will be implemented by the Ministry of Digital Development and Communications (MDDC) as well as identified beneficiary agencies under the Project. The MDDC as lead implementing agency will be responsible for overall implementation, fiduciary, Environment and Social Framework (ESF) compliance for the Project.

Under component 3, Digital literacy for Citizens subcomponent stands for implementing a catalytic digital literacy program to provide basic and needed digital skills for targeted groups of citizens.

The Digital Literacy for Senior Citizens initiative as part of subcomponent 3.1 is dedicated to narrowing the digital divide prevalent among seniors in underserved communities nationwide. Highlighting the findings from the UNDP's 2022 study, which identifies senior citizens as the most vulnerable group facing digital disparities, underscores the necessity for tailored interventions to facilitate their access to fundamental digital services. The successful implementation of this vital digital literacy initiative for seniors holds the potential to foster equitable digital development throughout the country.

## **B. OBJECTIVES OF THE ASSIGNMENT**

The Digital Literacy for Senior Citizens subcomponent is seeking a qualified consultant to support and manage its initiative dedicated to narrowing the digital divide prevalent among seniors in underserved communities nationwide.

The primary objective of the subcomponent is to offer personalized guidance on a one-to-one or one-to-few basis to seniors, empowering them with crucial digital skills. The selected consultant will play a pivotal role in managing the program development by developing a comprehensive digital skills curriculum tailored for seniors, crafting a project management strategy, writing project reports, collaborating with other consultants, reporting to the Senior consultant, and coordinating various project-related activities.

## **C. SCOPE OF WORK**

The consultant will be responsible for the following key activities:

### **Task 1: Design Digital Skills Curriculum Development**

- 1.1. Design a program scope fully encompassing the project's mission and goals.
- 1.2. Ensure the curriculum addresses the specific needs and challenges faced by seniors in bridging the digital divide.
- 1.3. Lead the development of instructional materials, toolkits, and other resources for both students and seniors.

### **Task 2: Seniors' Participation**

- 2.1 Develop project reports in coordination with the team members
- 2.2 Provide assistance and support to seniors during the events.
- 2.3 Collect feedback from seniors and participants and devise methods to use it to improve future events.

### **Task 3: Management and Coordination**

- 3.1 Collaborate with other team members during the project management process.
- 3.2 Coordinate with volunteers and vendors to ensure a seamless experience.

### **Task 4: Assist in the recruitment of 100 tertiary Students to provide digital literacy for 1,000 seniors (above age of 50)**

- 4.1 Assist in the development of a recruitment strategy to attract tertiary students and youth interested in volunteering for the sub-project.
- 4.2 Assist in the coordination of outreach and promotional activities to engage potential student volunteers.
- 4.3 Assist selection and onboarding process of student volunteers.

## **D. DELIVERABLES**

Based on the tasks under the assignment and a detailed Work Plan (WP) to be approved by the beneficiary (MDDC), the consultant is expected to deliver the following:

1. Inception report with a detailed Work Plan.
2. A comprehensive recruitment strategy and plan for student volunteers.
3. A tailored digital skills curriculum for seniors, complete with instructional materials.
4. Mid-term report 1 on student volunteer training outcomes.
5. Mid-term report 2 on training outcomes for seniors.
6. Final report on program development and coordination, outcomes as well as lessons learned.

## **E. REQUIRED QUALIFICATIONS**

**Education:** A bachelor's degree in related fields such as public policy, sociology, political science, management, and economics. A master's degree will be an advantage.

**Experience:**

- At least 2 years of project management experience, preferably with experience in education or community engagement projects.
- Knowledge of digital skills and an understanding of the digital challenges faced by seniors.
- Measurement and evaluation experience will be an advantage
- An understanding of the importance of inclusivity and accessibility in digital education.

**Language skills:** Fluency in Mongolian and Proficiency in English.

**Other skills:**

- Strong organizational, coordination, analytical, as well as reporting skills.
- Excellent communication and interpersonal skills to engage both students and seniors effectively.

## **F. SUPERVISION AND REPORTING**

The consultant will report to the beneficiary agency (MDDC) on activities set in the Scope of Work. In addition to the reports required it is his or her obligation to report all significant project events to the PIU.

## **G. ASSIGNMENT DURATION**

The consultancy is expected to commence immediately upon selection of the consultant and the duration of the assignment is for 8 months.

1. Inception report with Work Plan.
2. A comprehensive recruitment strategy and plan for student volunteers.
3. A tailored digital skills curriculum for seniors, complete with instructional materials.
4. Mid-term report on student volunteer training outcomes.
5. Mid-term report on training outcomes for seniors.
6. Final report with detailed project management process, participant feedback, outcomes as well as lessons learned from the project.

## **H. INSTITUTIONAL ARRANGEMENT**

The Senior consultant at the beneficiary (MDDC) shall assist the consultant for performing the assignment. The consultant is responsible for ensuring his/her workspace and amenities for the duration of the assignment.

**If you possess the above qualifications, please submit the following documents via email to [khulan@smart.gov.mn](mailto:khulan@smart.gov.mn):**

1. Cover letter indicating why she/he considers her/himself suitable for the position.
2. Detailed CV highlighting relevant skills/experience.
3. Copy of diplomas or certificates; and,
4. Two (2) reference letters from the previous two employers **no later than 3:00 PM, April 08, 2024.**
